

It's Summer Time!

Summer Season

We want to wish everyone a happy summer and hope that you are coming to spend your vacation with us. If that is not the case keep on scrolling for your special deal in August - November, 2014

Zoover Awards

We have recently received our 2014 Zoover Award and we are very happy to announce that we have been chosen as the nr 1 Apartment hotel in Aruba!

The entire team of Amsterdam Manor Beach Resort would like to thank all of our guests that have recommended us and are part of our Amsterdam Manor family.

Turtles in the Summer

We have 2 turtle nests in front of the Amsterdam Manor Beach Resort Aruba! It has been quite a while since we had turtle nesting in front of Amsterdam Manor (2009). Thanks to Turtugaruba to provide additional protection to the nests

The incubation time of the eggs is 60 - 70 days, so hatching for one nest will be by the end of July and the other one in August. We will keep you posted!

Amsterdam Manor Beach Resort on TV

Last May our resort was featured on LXRY TV - LXRY Travel (a Dutch television travel program) and our Managing Director Jurgen van Schaijk had the pleasure to meet with presenter Fred van Eijk. Interview was held at our newly revamp Horizons Bar. If you have missed the episode you can still see it online: <http://t.co/ciPo1tgzcR>

Celebrating 25 years

Amsterdam Manor Beach Resort is celebrating 25 years of anniversary this year. The resort has been managed by the Van Schaijk family since the hotel was built in December 1989 and management has gone from father to son.

An enthusiastic, hospitable and hard-working team operates this successful and popular resort, leading to a large group of loyal returning guests who are all important members of our Amsterdam Manor family.

If you have visited our resort in the past years and you have pictures that you would like to share with us, please send it to salesandmarketing@amsterdammanor.aw. We would love to share them with everyone!

Amsterdam Manor Beach Resort in the beginning phase and a picture of how the resort has developed these 25 years.
