### Hablamos Español

In our last newsletter we proudly presented to you our new website. This time we're happy to announce that also the Spanish version has gone live. Not only because we are a pretty popular destination for Latin America, but also because many people around the world speak this language.

### Perfectly clean

At Amsterdam Manor Beach Resort we organize a beach clean up every month because we like to keep on welcoming you to pristine white beaches. Employees from different departments stroll the beach collecting dirt and often guests come to help which is very much appreciated. No wonder Eagle Beach is voted as one of the world's most beautiful beaches!

## Meet the chef

It's a pleasure to introduce to you our chef Stanwick Bloem. Responsible for all dishes coming out of the kitchen at Passions on the Beach. Daily over a hundred people enjoy a lovely meal while the sun sets and their feet are buried in the soft sand.

The kitchen is also located on the beach but Stanwick hardly ever sees the sunset because he's concentrated on preparing the food. Still he feels that this is a special work environment... a beach front kitchen!

Stanwick's favorite dish: the Rocking Hot Shrimp.
