Marco Loves Passions

[Marco Borsato](#), Hollands most famous singer who consistently been one of the most successful and biggest artists in the Netherlands for the past twenty years, grew up in the restaurat business during his childhood when living with his parents in Italy. Recently the singer was a Guest of Aruba and the first Restaurant he visited on island was Passions on the Beach. Being on an intensive

photography workshop, Borsato accompanied well known reporter and photographer [Raymond Rutting](#), (known for this [Famous Faces of ARUBA](#) and [Rutting Blog](#)) to Aruba to visualize and learn the magic of a lens capturing iconic images of the One Happy Island, its beauty, culture, people and landscaping. There are many ways to learn a craft, but the journey has to begin with desire, opportunity and talent. [Passions on the Beach](#) is very proud and honored that these two exemplary individuals chose by excellence the Best on the Beach restaurant of Aruba, at Eagle Beach and we do hope to see you again.

KIDS COUNCIL

The [Missing Chapter Foundation](#) (MCF) was founded in 2010 by Princess Laurentien van Oranje, for the purpose of contributing future-proof solutions to social issues. They encourage decision-makers to include the perspectives of children in their decisions by initiating and facilitating an equal and committed dialogue between these parties. They also draw attention to the value of intellect that children display. "Kids Counsel" is a project that has shown its success since its creation. Recently, 6th grade student together with their teacher Sonia Sue, visited the Amsterdam Manor Beach Resort and the Bubali Plas. They were presented with the dilemma: "How can Amsterdam Manor expand in a way that will be beneficial for the [Bubali Plas](#)". Here you can see a pictures of the Kids Counsel of Princess Amalia School together with the team of Amsterdam Manor Beach Resort. This is the second year that Amsterdam Manor participates in this amazing program The children will have 8 weeks to investigate the issue and present their suggestions to Amsterdam Manor Beach Resort. Stay tuned for in the next newsletter we will share with you the outcome and the recommendation of the Kids Council.

Passions News!

At times, Passions on the Beach lovers arrive without the adequate footwear when dining with

us. We decided to create a solution for our guests by allowing them to take off those heels and get comfortable on the beach by wearing our exclusive Passions on the Beach Flip Flops. These flip flops not only leave a memorable imprint behind but it also allows our guests to enjoy their favorite on the beach dining spot in Aruba. Passions on the Beach Flip Flops are available in our Mini Market & Gift store, open until 8:00PM or at our Front Desk. And remember leave an imprint of the sole in the sand!
