Turtles

Nesting season runs March through September, with hatching occurring May through November. We had 3 nests in front of the Amsterdam Manor Beach Resort that hatched in July, August and September. Volunteers from our local organization, TurtugAruba, devote many hours educating the community, as well as watching over and protecting the nests during the season, therefore we would like to thank them for their great work!

Awards and more Awards: Expedia Insider Travel

Amsterdam Manor Beach Resort has been named to **the Expedia Insiders' Select list for 2014**, an annual ranking of the best reviewed hotels as determined by one of the world's largest full-service online travel site. Pulling from nearly two million annual verified guest reviews, the Insiders' Select list recognizes the top ranked hotels available worldwide on Expedia.

The 2014 list names **only 650 hotels** as Insiders' Select hotels from among the more than 290,000 bookable properties available on Expedia, Inc. websites worldwide and at the moment we are the only resort on the island that has received this award. Thank you Expedia!
