Amsterdam Manor Beach Resort received their EarthCheck Master Achievement Award

EAGLE BEACH, ARUBA (July 14th, 2015) – Recently the Amsterdam Manor Beach Resort has obtained the Master achievement Award for the second time for EarthCheck, the global leader in sustainable tourism, representing 15 plus years of continuous certification through the program.

EarthCheck Master Certification confirms the position of Amsterdam Manor Beach Resort as a world leader in sustainable tourism and embodies their fifteen plus years of continuous dedication to Benchmarking and Certification with EarthCheck.

Amsterdam Manor Beach Resort received their first EarthCheck Certification in 2000 and is still the only hotel in Aruba that obtained the Earth Check Master Achievement Award. Obtaining the EarthCheck Master Achievement Award requires commitment from the entire personnel to achieve better results in terms of sustainability each year.

Amsterdam Manor Beach Resort is working on always improving their way of working with the environment and improving as a green resort “comment Jullian Jaramillo EarthCheck Coordinator for the Amsterdam Manor Beach Resort”

EarthCheck is widely regarded as the world's most scientifically rigorous environmental management program, designed specifically for the travel and tourism industry. It looks at key environmental indicators such as energy and water consumption, total waste production, and community commitment to

determine an operator's standard of performance. More information regarding EarthCheck can be found on www.earthcheck.org or visit the website www.amsterdammanor.com or their Facebook page: www.facebook.com/AMBRARUBA.
